COMMENTS : Re: U.S. Ser No. 10/051,562 Inventor: Mehra et al. AFS: 205,325 During a recent review of our office file, it was determined that a word processing error occurred in preparing the revised Amendment filed via facsimile on December 3, 2003. Rather than a corrected version of the amendment original filed via Express Mail on October 6, 2003, an early and incomplete draft was submitted. Please substitute for further examination the attached Corrected Amendment of October 6, 2003 which is in all respects identical to the original, with the exception that the redundant portion of claim 1 appearing at the bottom of page 1 have been deleted.			

This transmission is privileged and confidential. If you have received this transmission in error, please notify us immediately by telephone, and return the original transmission to us at the above address.
